

Adult Bible Classes

Our Adult Bible Classes are based around the idea that as adults, we need to continue to add to our faith and dive deep into the Word of God. Every aspect of our lives is directly impacted by our willingness to allow His Word to penetrate our hearts, our minds, and our actions. Therefore, our Adult Bible class teachers are well prepared and bring a passion for the Scriptures as well as a strong desire to share what they have learned in study.

On Sunday mornings, the Adult Bible Classes are geared toward age groups. You may want to find a class of your peers or a class where everyone's children are of the same age as your own. This allows us to find those who have similar life situations and to bond and grow together.

On Wednesday evenings, you will be able to find a Bible class that meets you where you are in life. In these Bible classes, you can take advantage of the differing ages that will be in attendance and draw upon the wisdom of the Keen Age member as well as the enthusiasm of the young adult.

We expect and hope that you will find a place to belong as your love grows more and more "in knowledge and depth of insight," as Paul states about the church in Philippi. And this, so we may be able to "discern what is best and may be pure and blameless until the day of Christ, filled with righteousness that comes through Jesus Christ." (*Philippians 1:9-10*)
