

Children's Bible Classes

Nursery Department (Birth-2 yrs)

Babies and toddlers alike will make a connection to God and all the things around them through our interactive "God Made" curriculum.

Preschool Department (3 yrs-Kindergarten)

During the preschool years, the classes take our children through the entire Bible in an age-appropriate manner. Bible heroes and stories come to life, illustrating vital values each child needs in our "Step Into The Book" curriculum.

Primary Department (1st-3rd Grades)

The early elementary children study through the entire Bible in the unique environment of learning centers. Each child is able to spend some time learning and growing at their own pace while also participating in group learning activities.

Junior Department (4th-5th Grades)

During these formative years, our Bible classes place an emphasis on becoming a Christian; Christian growth and decision making. These young people are encouraged to memorize Scripture as well as begin developing spiritual relations with others.
