

Women in God's Service

**"Each one should use whatever gift he has received to serve others,
faithfully administering God's grace in its various forms."
I Peter 4:10**

After several months of preparation, we are excited to begin our new Women's Ministry, WINGS, and hope you will join us if you haven't already. We had several sign up during the Ministry Fair earlier this month. You can return the bottom portion of this letter if you would like to be part of our ministry but were unable to attend the ministry fair.

Our mission is to glorify God by developing a deeper relationship with the Lord and a sense of belonging through involvement in teaching and service.

We have many goals for 2009. Some of them are to:

- Provide a variety of Bible classes and studies for all women. This includes organizing bible classes, small group studies, and prayer partners as well as spiritual mentoring.
- Build personal relationships and connections among the women in the body by building an emotional needs network and providing social activities.
- Get all women involved in an area of teaching or service that meets their personal talents.
- Develop greater visibility in the community through service and events. We will accomplish this by organizing quarterly community activities and providing outreach training/planning events.

We will be compiling a monthly newsletter to communicate upcoming opportunities and completed tasks. The newsletter will be published on our church website, www.bacoc.org or you can request we mail it to you by completing the bottom portion of this letter.

Please complete this form and place in our box located at the welcome booth if any of the following pertain to you.

-----Cut here-----

Name _____

I want to be part of WINGS! Please provide phone number and email address

I prefer to have the monthly newsletter mailed to me.

Address: _____
