

Women in God's Service

**"Each one should use whatever gift he has received to serve others,
faithfully administering God's grace in its various forms."**

I Peter 4:10

The holidays are over and life is once again approaching "after holidays" normalcy. A renewed and energized spirit closely follows the return to normal and brings an increase in WinGS activities. It is already apparent the women's ministry is destined for great things during 2010. Women are planning to expand existing WinGS programs and are vigorously pursuing the planning of new ones. The 2009 WinGS activities were numerous, enjoyable, and successful endeavors in the kingdom. Our prayer is God will continue to work through WinGS in order to bring glory to Him and spiritual and numerical growth in His kingdom.

Secret Sister is beginning another cycle and it's time for those wishing to participate to sign-up. You can find SS forms on the WinGS tables in the foyer. Many thanks to Sharon Myers for the work she has done coordinating Secret Sisters. Her love of God and his daughters was certainly seen in the love and diligent work she put into SS. All are excited to welcome Shelley Gillion as the new SS coordinator and there is no doubt she will be an excellent coordinator. She always has a smile on her face, a willingness to do what needs to be done, and an obvious love for God and us. Thanks Sharon and Shelley.

Last month's newsletter contained a brief summary of the work for 2009. As indicated, existing WinGS programs will be continued and new ones will be implemented. Look to the future newsletters and information on the WinGS tables for updates on WinGS activities.
