

Women in God's Service

"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms."

The BACOC prison ministry is an active and growing ministry. Every Saturday the women members of the ministry teach God's word to women prisoners. Every 5th week, men involved with the ministry travel with the ladies and conduct a worship service for the prisoners. This has been so successful in reaching prisoners that the ministry is preparing to expand to include a jail ministry at the Tulsa County jail. Please pray for the members of the ministry, for the women being ministered to, and pray that the "powers that be" allow the new jail ministry to be

Jail ministries change lives. Some of the changes are for the better, some of them aren't. Below you will see a letter sent to the church from one of the inmates. It leaves no doubt that God works in the lives of women.

"I wanted to write & tell you I appreciated the birthday card you all sent me. You really made my week. I thought I was forgotten for the longest time. I have been here for 90 days now & this was the second mail I got. Wanted you to know you gave me hope and & brought my spirits up. I want to continue my Bible study with you but recently have my visitation on Sat. mornings & can't make it. I do however like to have Bible studies mailed to me, if possible.

Thank you so much for all the prayers. Many blessings to all of you as well. Yes, I want a closer walk with Him. Hope to have inspirational ladies like yourselves in my paathway too. I appreciate what you do, to others they lock you away & forget about you. Thinking any of us can't be helped or changed ... I'm very thankful you all help us to understand God's word & will for our lives. You have enriched my life & wanted you to know."

God is good and He shows His love in so many ways.
